City of Liverpool SC – Summer Sprint Open Meet Sponsorship

Summer Sprint Open Meet – 26th and 27th June 2010

Dear Sponsor

Every year City of Liverpool SC hold their annual summer sprint open meet at Liverpool Aquatics Centre, attracting some 2000 people over the whole weekend. This is a popular event in the national swimming calendar, attracting huge numbers of swimmers and spectators from all over the country.

To assist with the cost of running this event and expense of the prizes and medals to the participants we would like you to consider sponsoring individual race events in the programme. Your kind sponsorship will result in your company, business or own personal name being printed in every programme received by all spectators, officials and club personnel; we will in addition announce your sponsorship over the public address system for all to hear, at the presentation of the medals and prizes for that event.

We would be very grateful of your support as the costs of hosting such a large event are considerable for the club. City of Liverpool SC, is run by volunteers which supports the development of young local swimmers and has been responsible for assisting international swimmers such as Michael Rock; Francesca Halsall; Steven Parry to name but three.

We would kindly request the sum of only £20.00 sponsorship per age group event or skins award. If you have a preference to sponsor any particular event or award please advise and we will try to accommodate your request. There is no limit to the number of events that can be sponsored by one business or individual.

If you are interested please contact **Mark Charnock** on email: mark@charnockdesign.co.uk as soon as possible and we will return an invoice in your business or personal name to be paid by cheque before Monday 7 June 2010, to result in the sponsor's name being included in the gala programme.

The events available for sponsorship are detailed on the following pages (this will be updated regularly and displayed on the club website):

Sincerely

City of Liverpool Swimming Club Committee
